
AUL/One America Short-Term Disability

Why should you consider purchasing disability insurance protection at your workplace?

Many of us lead busy lives and seldom take time to think about life's risks. Consider the following reasons many people purchase disability insurance:

- Lost wages
- Daily living expenses, such as mortgage/rent, utilities, car payment, food, childcare, eldercare, hobbies, pet care

Advantages of shopping at work include:

- Affordable group rates
- Convenient payroll deduction
- Guaranteed issue for timely applicants
- Easy access

Less than 5% of disabling accidents and illnesses are work related. The other 95% are not, meaning Workers' Compensation doesn't cover them.

90% of disability are caused by illness.

64% of wage earners believe they have a 2% or less chance of being disabled for 3 months or more during their working career. The actual odds for a worker entering the workforce today are about 30%.

Less than half (35.6%) of the 2.9 million workers who applied for Social Security Disability Insurance (SSDI) benefits in 2011 were approved.
